Sir:

RESPONSE TO NOTICE OF NON-RESPONSIVE RESPONSE

This Response to Notice of Non-Responsive Response is filed in response to the Notice mailed December 14, 2004, indicating that the application failed to comply with the requirements of 37 CFR 1.821-1.825. The undersigned thanks the Examiner for his careful enumeration of the defects in the Sequence Listing and his helpful suggestions both by phone and in the Notice regarding appropriate measures to correct these defects. The following amendments and enclosed paper Sequence Listing and computer-readable copy thereof have been checked and are believed to be fully in compliance with 37 CFR 1.821-1.825. It is noted that the amendments added 9 new SEQ ID numbers (SEQ ID NOS: 25 – 33) rather than 5 (SEQ ID NOS: 25-29) as was suggested in the Notice.

I hereby certify that this correspondence is being deposited with the United States Postal Service as first class mail in an envelope addressed to: Commissioner For Patents, P.O. Box 1450, Alexandria, VA 22313
